

Taking Flight

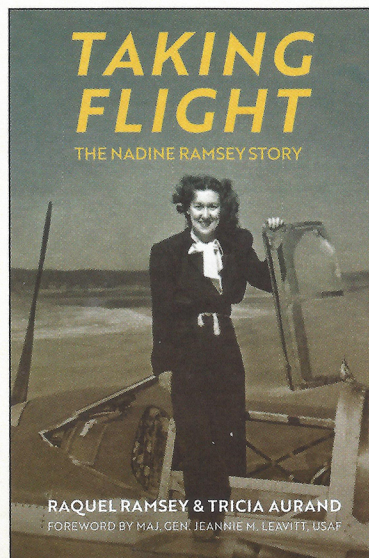

The Nadine Ramsey Story

Raquel Ramsey and Tricia Aurand

The inspiring story of a girl from Depression-era Kansas who overcame tremendous challenges and defied convention to become an elite pilot—one of the few American women to fly fighter aircraft during World War II.

“This honest and heartfelt book chronicles the life of a woman who struggled to overcome the barriers of her day, and occasionally brushed the bounds of heaven.”

Lisa K. Shapiro, author of *No Forgotten Fronts: From Classrooms to Combat*
