EHS ALUM HONORED WITH DOCUMENTARY

Nadine Ramsey graduated from El Dorado High School in 1929. After graduation, Nadine became the first Kansas woman to earn a commercial pilots license; was among the earliest women to fly the US Air Mail; was one of 1102 Women's Air Force Service Pilots (WASPs); and was one of only 26 WASPs to fly the Lockheed P-38 Lightning, a fighter aircraft- and the first woman to own one.

A book about her, *Taking Flight: The Nadine Ramsey Story*, was published in 2020, by the University of Kansas Press. This book is now set to become a documentary, produced by Vanilla Fire Productions and narrated by Jane Seymour.

EHS would like to thank Dr. Raquel R. Ramsey, author of *Taking Flight* and Producer of the documentary, for reaching out to us to let us know about our distinguished Alum!
